6. Adding notice/event/meeting

- For uploading notes/events/notices the faculty member will go through this screen by logging in with specific credential.

To know more features of Digital College please take a demo by calling us or just drop a mail to us.

Why you should on Digital College ?

- Reduces efforts required by institute to reach students / parents.
- Head authorities can easily communicate with faculty / students / parents within an application.

- Students can get their academic details (notes, syllabus, schedules, notices, events etc.) easily from anywhere.
- institute's accounts department can interact with students for issues regarding fees and documents.

- Head authorities like institute administration, principal can also communicate with other faculty members for meetings.
- No delay will be there in communication, because everyone is centrally connected to the institute.
